www.unimakorea.com

UNIMA KOREA hosts the video campaign that we overcome COVID-19 pandemic all together and creativity makes life better, and hopes many members of UNIMA around the world to join it. As advocating the ResiliArt movement proposed by UNESCO, this campaign is planned in the same intention to it, and expects to enhance the cultural fellowship and revitalizes the creativity in the puppetry world as well as to heartens people to live better with access to culture even we are in the difficulties. Come with us and we are looking forward to your creative and attractive puppetry video works!

What is required of the video works

- **Topic** : A message of hope and encouragement to the world undergoing COVID-19 crisis
- UNIMA Korea **provides Korean traditional paper HANJI as basic materials and a craft made of it** sponsored by HANJI Development Institute. It should be utilized for a part or whole of the creation.
- Dialogues in local language and subtitles in English required.
- The length of video : Less than 2mins and not exceed 2mins 30

“Culture makes us resilient and gives us hope”

- From ResiliArt Movement
